

- Welcome to the [DATE] edition of the weekly Athens County Amateur Radio Association Net.
- This is not a traffic handling net. Naturally, any emergency needs will have priority.
- This is [callsign], my name is _____, and I'm NET control for tonight.
- This is a directed net with all communication going through net control.
- For the first round, just clearly give your callsign.
- After I have all the calls logged, I'll start at the top of the list. You can give your name, QTH, and share any information that you'd care to share.
- Finally, I'll present any club news, and ask for any additional calls. Then we will continue as a social net.
- Is there anyone operating mobile, portable? Please call in now. (Take traffic from this group before calling next group.)
- Is there anyone from outside Athens County? Please call in now.
- Any one in Athens County? Please call in now.
- Any one in Athens City? Please call in now.
- (Call on check-ins in order from after mobile/portable group.)
- Any additional check-ins, anyone, anywhere.
- CLUB NEWS
- Any additional check-ins?
- This ends this edition of the Athens County Amateur Radio Association Net.

- We had_(number)_____calls tonight.
- This is [CALL] for the Athens County Amateur Radio Association Net.
I now turn the repeater back to general amateur radio use.
