Instructor assignments are subject to change depending on availability.

Classes will be held at the Red Cross of Southeastern Ohio office located at 100 South May Avenue, Athens, Ohio 45701 Classes are scheduled from 7-9 PM each Monday from January 13 through March 17, 2025, including holiday Mondays. From the schedule, you should see that the last class is license test session. No new material will be presented that night. Parking is available in the lot south of the building.

Should bad weather result in a level two or three snow emergency, classes will definitely not be held. Check e-mail or local radio station for announcement of class cancellation during a level one snow emergency. Notice of cancellation will also be sent to group e-mail list hamclass@ac-ara.org
